

Pediatric Clinic (Peds) Team Message Center: 402-232-2273, ext. 331

Our clinic is proud to be a Patient-Centered Medical Home Pediatric Health Care (PCMHPH) that participates in Patient-Centered Medical Home, a partnership between you, your child, and your child's Primary Care Manager. Our two clinical teams are:

Little Rascals Team: Dr. Kerry Lainof, Dr. Shirley Miller and NP Jennifer Galgano

Rugrats Team: Dr. Robert Weatherwax, Dr. Patrick Basile, and Dr. William Toth

Patients with the following conditions may walk-in Mon-Fri 0730-1100 and 1300-1530 for

- Patients 3 and older with sore throat
- Suture/staple removal
- Wart clinic
- Weight Checks when Doctor directed
- Bilirubin checks when Doctor directed
- Blood pressure checks when Doctor directed

Please let us know how we are doing in our clinic. Our motto is, "Satisfaction starts here".

Our Disease Management team focuses on improving the health of those with chronic conditions including attention-deficit hyperactivity disorder (ADHD), asthma and more.

We work hand in hand with the Exceptional Family Member Program. This is designed to assist active duty personnel during assignments/reassignments sponsoring Exceptional Family Members (EFM) with special physical, emotional, developmental, or intellectual needs. Please call the EFMP office at (402) 232-2273, ext. 433 for questions about EFMP.
